Sub: 10 years' successful operation of your Bioskrubber™ at our factory site

Dear Sir,

We take this opportunity to congratulate you and your team on completion of **10 years of successful operation** of your Bioskrubber™ unit at our Shreepur factory site on 28th October 2009

The operation of your system was extremely smooth during this period of 10 years when our distillery functioned without MESDCL's grid connection.

We would like to extend our sincere appreciation to you and your technical team for providing us with the requisite quality inputs with respect to the operation and maintenance of the system; whenever required.

It has been a fruitful experience to interact with your organization.

We look forward towards continuing this mutually beneficial interaction.

Yours sincerely,

For The Brihan Maharashtra
Sugar Syndicate Ltd.
